Píntemos por la educación

Es un honor y un privilegio para la Corporación de Acuarelistas de Chile presentar el catálogo de obras de la muestra de arte postal "Pintemos por la Educación". Este proyecto, desarrollado en colaboración con la SEREMI de Cultura de Ñuble, Colegio Alemán de Chillán, Arte Nostro y La Pencilería, representa un extraordinario esfuerzo conjunto para acercar el arte a las comunidades educativas de la región.

A través de la delicadeza y la expresividad de la acuarela, esta muestra recorrerá distintos colegios de Ñuble, llevando consigo no solo obras de arte, sino también un mensaje de creatividad, educación y cultura. El objetivo de esta iniciativa es generar espacios de encuentro y reflexión en torno al arte, fomentando el desarrollo del pensamiento crítico y la apreciación estética en los estudiantes.

Los talleres y mediaciones culturales que se realizarán durante las exposiciones permitirán que los estudiantes no solo sean espectadores, sino también participantes activos en el proceso artístico, estimulando así su creatividad y su capacidad de expresión. Este enriquecedor intercambio entre artistas y estudiantes será fundamental para fortalecer los lazos entre el arte y la educación en nuestra comunidad.

Agradecemos profundamente a todas las instituciones y personas involucradas en este proyecto por su compromiso y dedicación. Esperamos que esta muestra inspire a futuras generaciones de artistas y que siga siendo un ejemplo de cómo el arte puede transformar y enriquecer nuestras vidas.

Juan Eduardo Gatica
